SITUATION SUMMARY

PUBLIC HEALTH AND MEDICAL (EF-8) SITUATION REPORT, as of [10/28/14](#):

- There are currently no suspected or confirmed cases of the Ebola Virus Disease (EVD) in California. The risk of EVD to the public is very low. Healthcare providers may be at a higher risk for EVD infection.
- As of October 23, the World Health Organization has reported a cumulative total of 10141 suspect, probable, and confirmed cases and 4922 deaths.
- Current guidelines released by CDC are posted on the CDPH website available at: <http://cdph.ca.gov/programs/cder/Pages/Ebola.aspx>
- Guidelines for Emergency Medical Services (EMS) personnel: http://www.emsa.ca.gov/ebola_control

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

CAL OES COASTAL REGION

[San Francisco DEM](#) will activate their EOC today for the 7th Game of the World Series.

SITUATION SUMMARY

Winter Storm forecasted for Halloween and Saturday

After mild autumn weather, a winter-type storm will move into Northern California Friday and Saturday. Snow has the potential to bring hazardous and slow travel over mountain roadways. Snow is possible down to 4000 feet. Rain showers are forecast for the Valley, with isolated thunderstorms Friday afternoon and evening, impacting Halloween activities. Drier and warmer weather expected for early next week

SITUATION SUMMARY

Storm Total Rain

Valid: November 1, 2014

SITUATION SUMMARY

Snow Potential Friday-Saturday

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

A frontal boundary moving onshore over Del Norte County will bring periods of light rain to areas north of shelter cove overnight. Friday a cold front will bring widespread rain to the region.

San Francisco Weather:

Sunny and seasonably warm weather across the bay area can be expected today under the influence of high pressure. There will be some cooling on Thursday ahead of an approaching pacific cold front. Rain is forecast to develop in the North Bay late Thursday night or early Friday morning. Light to moderate rain associated with a cold front will then shift southward through the bay area on Friday with showers continuing Friday afternoon and evening along with a chance of thunderstorms. Showers will linger on Saturday, especially south of Santa Cruz and over the hills. Dry weather returns Saturday night through the middle of next week as high pressure rebuilds.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Mild weather will prevail through early Thursday. A frontal system will impact northern interior California late Thursday into Saturday with rain and mountain snow along with cooler daytime temperatures. Snow levels will lower to around 4000 feet Saturday morning. Drier and milder weather can be expected early next week.

Hanford Weather:

High pressure will continue to build inland today and bring dry conditions and a warming trend to the area through Thursday. A low pressure system will move across the area by late in the week and bring a chance of rain and mountain snow to the area by late Friday and a better chance of precipitation to the area on Friday night and Saturday.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

Today will be the warmest day, then as a trough approaches on Thursday temperatures will begin to cool. Low pressure will bring the possibility of precipitation Friday through Saturday. Below normal temperatures and breezy conditions will continue through the weekend before the ridge returns early next week.

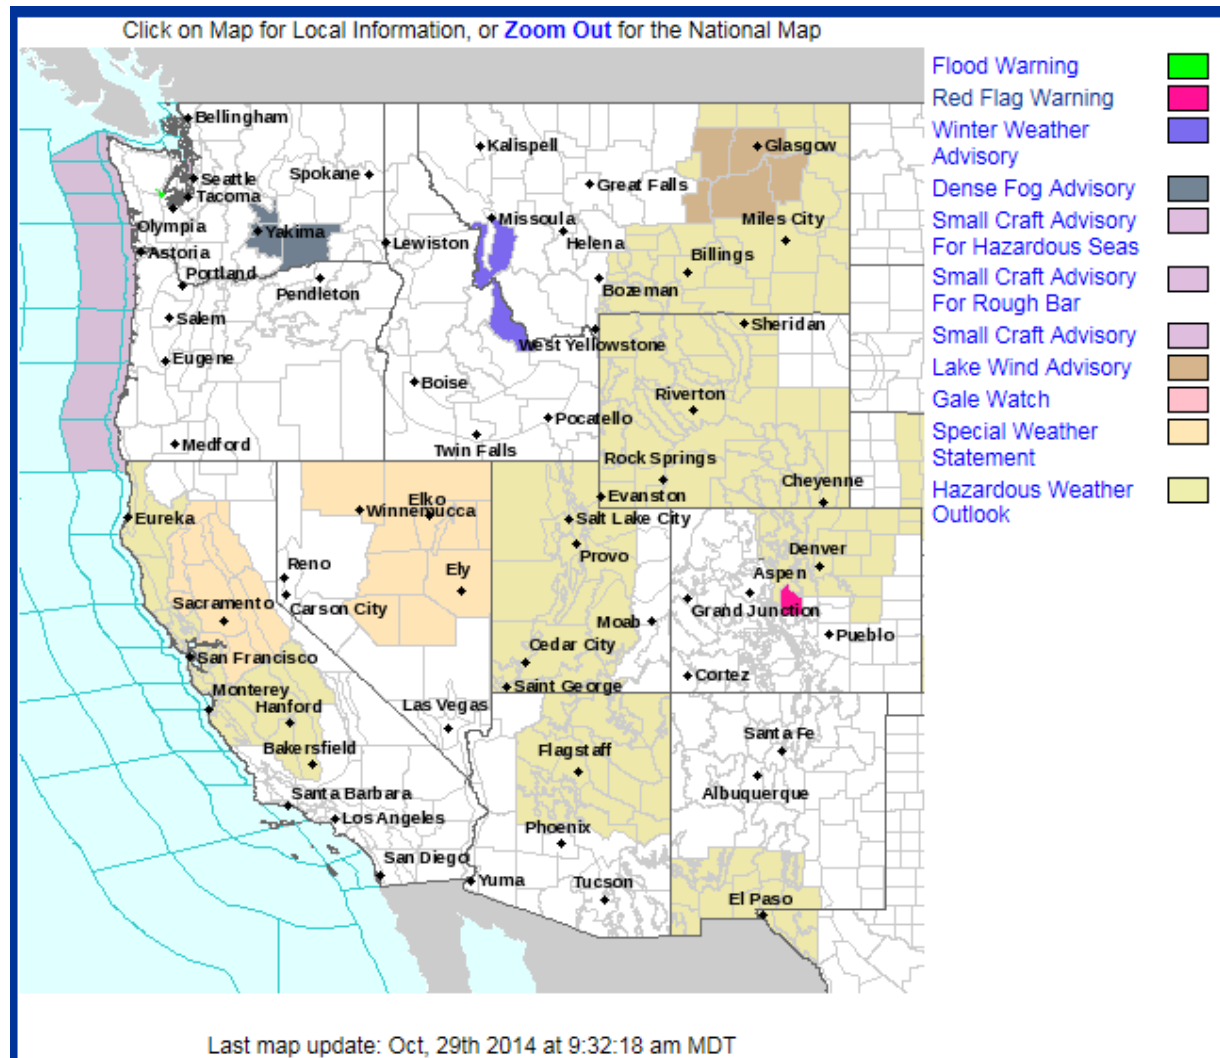

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Continued warming and drying for inland areas today with locally gusty northeast winds near the coastal foothills this morning. Onshore flow will slowly increase for Thursday and Friday with slow cooling Thursday and greater cooling Friday along with a return of night and morning coastal low clouds and fog. A low pressure system will move inland across California for Friday night and Saturday bringing cooling, light to possibly locally moderate precipitation amounts along and west of the mountains, with gusty locally strong west winds in the mountains and deserts. Sunday will be warmer with greater warming for Monday through Wednesday with periods of moderate strength gusty northeast winds near the coastal foothills into the valleys.

Southeast California Weather:

High temperatures warm a few degrees today into Friday as a ridge of high pressure passes over the region over the weekend. A dry cold front will move through the area bringing much cooler temperatures and breezy conditions with highs dropping into the 70s on the lower deserts. Anticipate little change in temperatures Monday followed by some warming Tuesday.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL will continue to provide guidance to the LTRG group **and is meeting with subcommittees on 10/29/14, and the Executive Board on 10/30/14.**
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- **Families relocated at the recommendation of the Siskiyou County Health Officer, US/EPA, and CalRecycle due to the high level of asbestos found in the destroyed library returned to their residences.**

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

20,650.61 total tons of debris have been removed as of day 24 of operations (445.23 tons of metal delivered for recycling; 6,904.2 tons of concrete delivered for recycling; and 13,301.18 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 24

- 135 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 10 Sites denied entry.
- 135 Sites documented.
- 135 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 117 Debris removal completed.
- 72 Sites sampled.
- 14 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

- One (1) Cal OES Recovery staff is assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.

Recovery Activities

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Fifty-nine (59) RPAs were received and **eight (8)** were withdrawn for a total of **fifty-one (51)** RPAs submitted to FEMA. **Thirty (30)** Kickoff Meetings have been completed and **one (1)** additional Kickoff Meeting scheduled.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. **The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. The VERG has reached out to nonprofit partners regarding a general member meeting scheduled for October 31, 2014.**
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC and REOCs are activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
